DECLARATION OF CONFORMITY

DATE OF ISSUE:2026-11-20
VALID TO:2028-11-20

• The paper is certified by Star-K and is pareve with Passover

Based on our knowledge and based on information from our supplier, we hereby confirm, that there are not any ingredients of animal origin or alcohol in the manufacturing process of the product. That's means it meets the criteria for halal.

The product complies with The Packaging and Packaging Waste Regulation (EU) 2025/40 (PPWR) on Heavy metals. The sum of the concentration levels of lead, cadmium, mercury and hexavalent chromium is below 100 parts per million by weight.

Regarding Article 5 (5) on per- and polyfluoroalkyl substances (PFAS) in Regulation (EU) 2025/40, No PFAS is intentionally added, and the total flour content is below 50mg/kg in the product.
More detailed documentation, such as full laboratory test reports, is normally only shared in response to regulatory requests or regulatory matters.

Intended use

•The bags are made from virgin paper and may stay in direct food contact with dry, moist and fatty foodstuffs as well as for baking purposes in conventional ovens up to a temperature of 220°C and storage at, or below room temperature down to -20°C. For use in microwave ovens a temperature of 150°C must not be exceeded

Disclaimer

• The declaration of compliance presupposes that the packaging material is processed properly. The assessment of the suitability of packaging material for the intended application is the responsibility of the user. Possible interactions of packaging material and its components with product are to check according to end use of food packers.
